## **Sarasota County votes not to appeal election decision**

During a special meeting today, the Sarasota County commissioners agreed to take no further action regarding the court decision in the case of Board of County Commissioners of Sarasota County, Florida v. Sarasota Alliance for Fair Elections. The county commissioners adopted a resolution providing the voting system used in Sarasota County should give voters a verified paper ballot if that system is approved by the state.

A copy of the circuit court decision is available on the county's website at [www.scgov.net](http://www.scgov.net) by clicking Meetings on Demand.
