County lifts precautionary boil water advisory for Palm Plaza area

Sarasota County has lifted a precautionary boil water advisory for those impacted by a broken water main behind Palm Plaza at Bee Ridge and McIntosh roads.

The spontaneous break occurred Friday afternoon, resulting in a service interruption affecting the strip mall located at that intersection, containing nine retail stores and three food service establishments. The break was repaired early Friday evening, but a precautionary boil water advisory was issued for anyone whose water service was disrupted. That advisory has been lifted, effective today, Sunday, Nov. 21. Bacteriological testing shows water is safe to drink.

For additional information, contact the Sarasota County Call Center at 941-861-5000.
